

カミナリ

Gehe  
hehe

EVERYONE  
IN KUTSU-  
NOKORI  
VALLEY  
ALREADY  
KNOWS  
WHAT  
HAPPENED  
TO YOU!!

GA  
GO  
ZE  
!!

You  
little  
shit!

THAT  
YOUR  
ERA IS  
OVER  
!!

GO

ホラセ  
第3話

НАААА  
ДАДАДА  
ДАДАДА

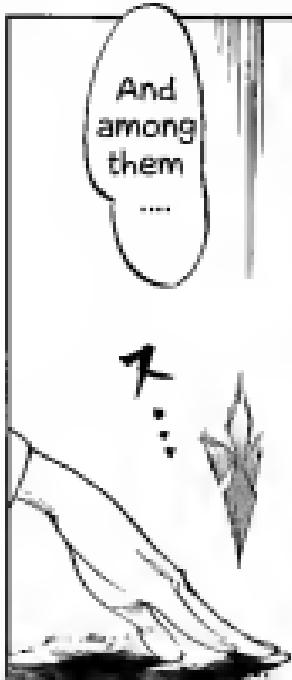

!!!

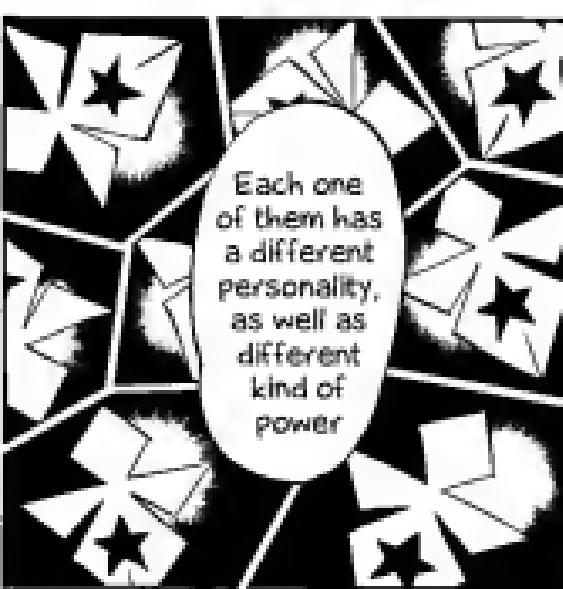

Behold my  
servants,  
the twelve  
shikigami

And  
among  
them

Each one  
of them has  
a different  
personality,  
as well as  
different  
kind of  
power

Arimori, you cocky bastard!  
Then why didn't  
you use Seiryu  
back then...?

Grrr

If we're  
looking  
for pure  
"strength"

then we  
need to  
summon

Seiryu

No matter how you phrase it, the truth is your shikigami got destroyed! Where does that confidence come from all of sudden?

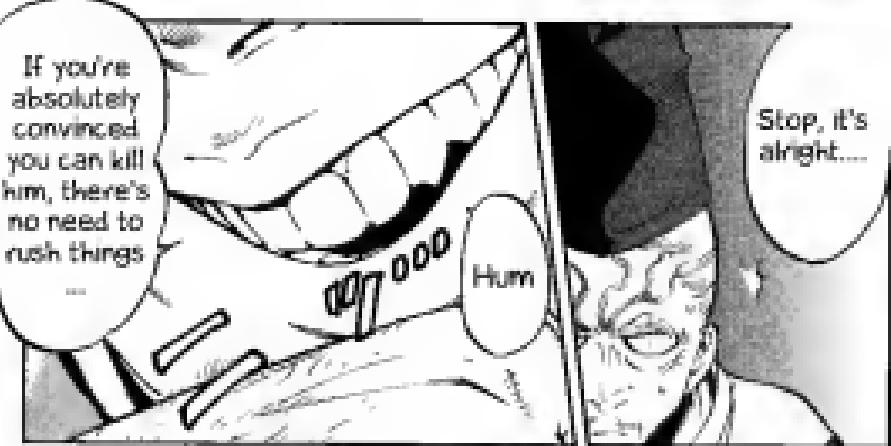

NON-SENSE !!

If you're absolutely convinced you can kill him, there's no need to rush things...

1000 Hum

Stop, it's alright....

I think I just found a really interesting way to kill him...

You've been defeated by that onmyō-ji and lost all your strength

The one we were working under was the Great Gagozō, who made even gods tremble in fear...

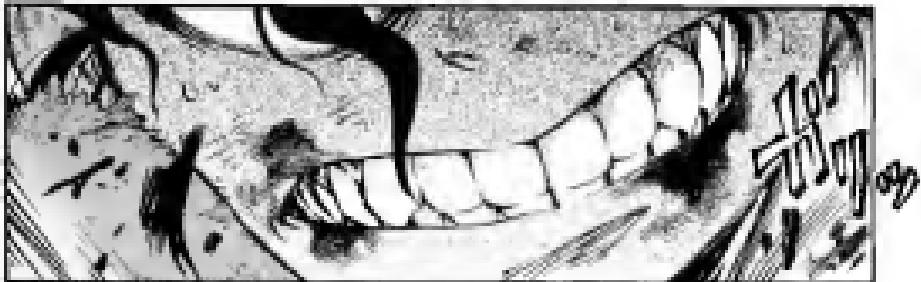

But right now, you're nothing but a brat...

The rest is easy to understand...

YOU  
BAS-  
TARD

!!

I'm always looting villages outside the valley for alcohol, and I have to say...

But now, I fear...

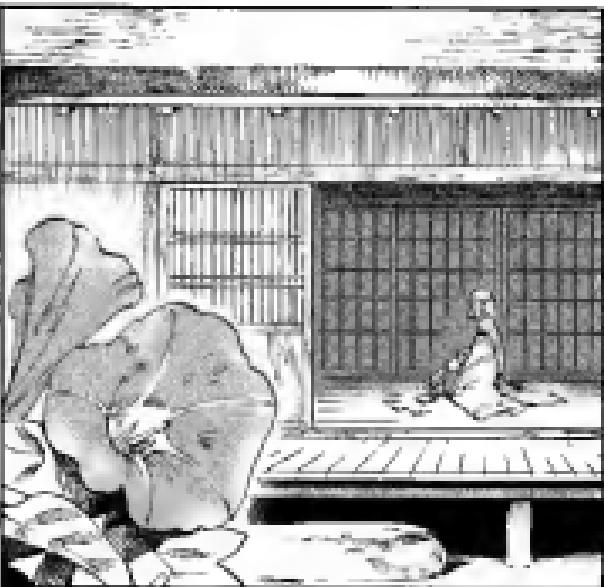

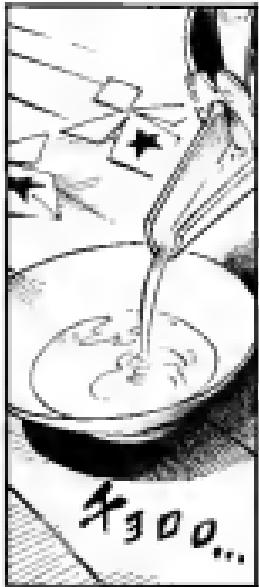

GRR

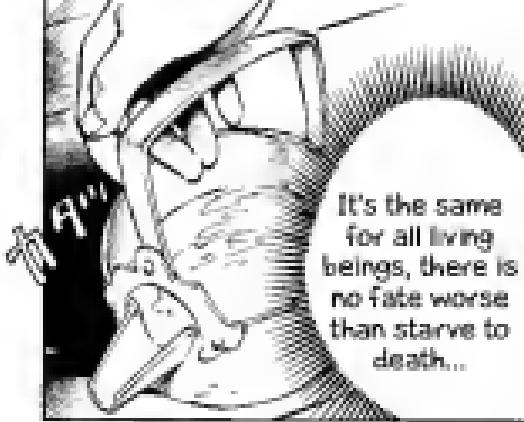

WHAT CAN  
YOU DO TO  
RELIEVE ME  
OF MY  
BOREDOM?

You  
LITTLE  
SHIT...

It's the same  
for all living  
beings, there is  
no fate worse  
than starve to  
death...

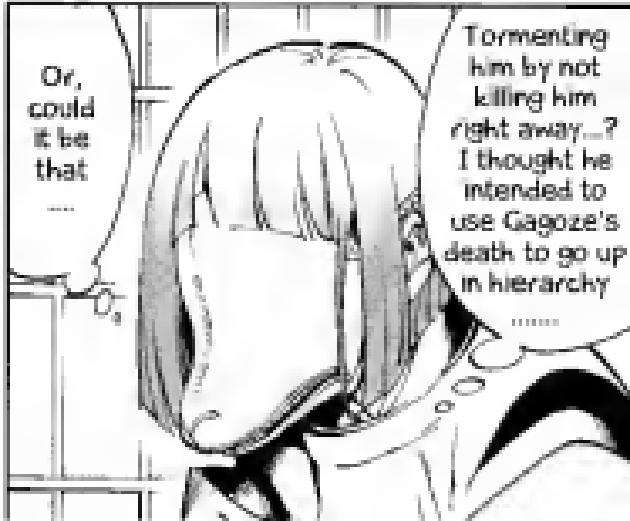

He's then a  
sinful being, and  
I so desire to  
teach him the  
precept of Buddha  
"Sesshouka"\*,  
in order to grant  
him Buddha's  
forgiveness...

If I'm right,  
this Gagoze  
is nothing but a  
beast that feeds  
on meat, and he  
has a soft spot  
for human  
meat...

\* Buddhist version of "Toku Seisho, Rokusho"

Oh well...  
maybe  
it's for  
the best

Or,  
could  
it be that

Tormenting  
him by not  
killing him  
right away...?  
I thought he  
intended to  
use Gagoze's  
death to go up  
in hierarchy

As soon as  
he tries to  
kill someone  
because he  
can't bear to  
starve, kill  
him

And  
bring back  
Gagoze's  
corpse

First, I need  
to clarify  
Gagoze's  
whereabouts

This time,  
the order  
comes  
directly  
from his  
Highness

That  
is your  
mission,

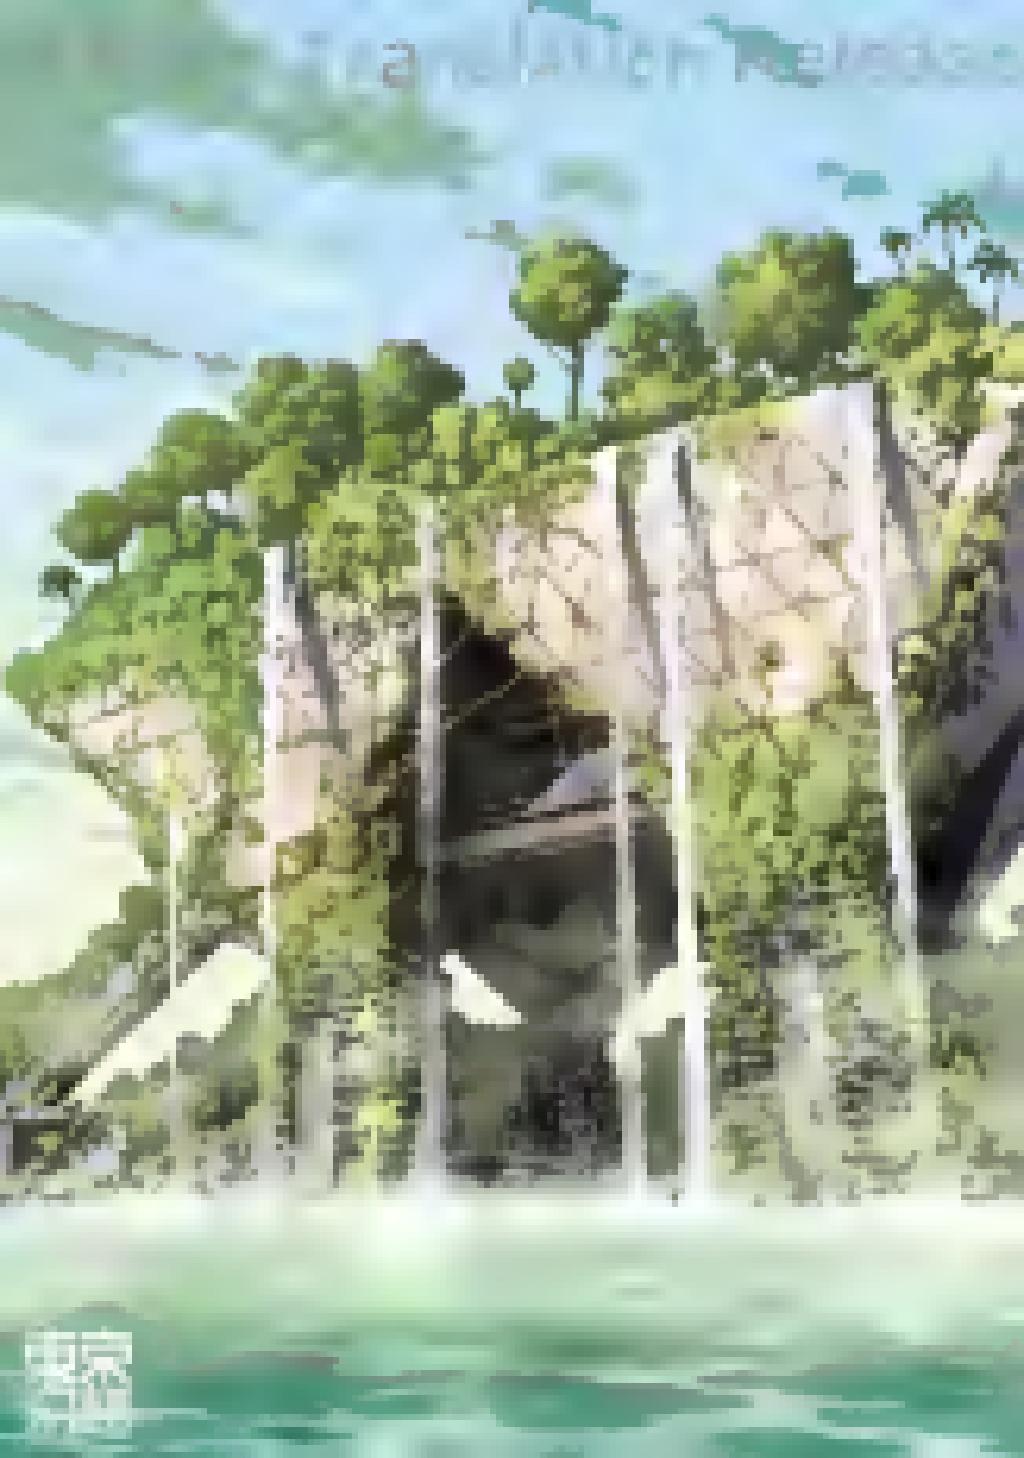

Seiryu

Seiryu  
...?

Don't  
call me  
like  
that...

Aw  
...!

Huh?  
Oh  
stop

and night the hedge

Didn't I  
tell you  
already?

Call me  
Chinron
